

INVESTOR PRESENTATION

The next generation of daily wellness.

A recurring-revenue wellness platform built around convenient daily-use patches.

SEEKING \$500K-\$1.5M IN STRATEGIC SEED CAPITAL

Confidential / 2026

Wellness is becoming easier to live with.

Four durable consumer behaviors converge in one daily format.

01

Simple

Fits into everyday life.

02

Convenient

No pills, powders, or mixing.

03

Personal

Built around specific wellness goals.

04

Recurring

Designed for a monthly ritual.

Aura Patch combines these trends in one considered, recurring format.

One daily patch. A platform for modern wellness.

Thirty individually portioned patches form a simple monthly ritual.

- 01 Proprietary blend of botanical and nutritional ingredients
- 02 Convenient patch-based format
- 03 30 patches per monthly supply
- 04 Designed for consistent daily use
- 05 Foundation for future targeted formulations

Five years of founder-led development.

Product, manufacturing, and early human-use work were established before this raise.

ROLE IN THE EVIDENCE PLAN

Provides initial human-use experience

NEXT STEP

Expanded scientific and clinical validation

Human-use experience is preliminary and should not be interpreted as proof of efficacy.

One format can support multiple wellness rituals.

The flagship product establishes the platform; targeted formulations broaden the opportunity.

Capital moves Aura into commercialization.

Six workstreams convert a founder-funded product into an operating company.

01 **Corporate foundation**

Structure, IP documentation, accounting, investment framework

02 **Regulatory & compliance**

U.S. classification, claims review, Australian assessment

03 **Commercial systems**

E-commerce, CRM, affiliate infrastructure, customer support

04 **Manufacturing & working capital**

Inventory, supplier readiness, operating capacity

05 **Marketing & acquisition**

Launch creative, customer acquisition, partner activation

06 **Scientific validation**

Expanded scientific and clinical work
