INVESTOR PRESENTATION

AURA PATCH

Building a New Generation of Transdermal Wellness

A recurring-revenue wellness platform built around convenient daily-use transdermal patches.

Mirjam Luijten & Michael Kao • Co-Founders

PRODUCT OVERVIEW

Meet Aura Patch

Simple, Convenient, Recurring

Single Solution Replacement

Replaces multiple daily oral supplements with one easy transdermal patch.

19 Proprietary Ingredients

Formulated based on research by Dr. Ying Zhang (M.D., Ph.D.) to protect and heal in vitro.

ONE-TIME PRICE	SUBSCRIPTION
$49.99	$39.99 / mo

30 Patches per pack • 1 Month of daily cellular defense

EXECUTION TRACK RECORD

Five Years of Development

We Built Before We Asked for Capital

5 Yrs

Founder-Led R&D

5 years of hands-on boot-strapped product engineering.

~$100K

Founder Invested

Personal capital committed to early feasibility & testing.

$0

Zero Founder Salaries

No founder salary draw across five full development years.

150

Human Study Participants

Validated efficiency in user trials with 150 participants.

100%

Formulated & Developed

Proprietary transdermal wellness formulation perfected.

Scaled

Manufacturing Established

Commercial supply line & production partner secured.

FINANCIAL STRATEGY

Unit Economics & Pricing

Designed for High Margin Recurring Revenue

ONE-TIME RETAIL

$49.99

Single purchase entry point for customer trial and acquisition testing.

MONTHLY SUBSCRIPTION

$39.99

20% discount incentivizes automated monthly replenishment and predictable LTV.

TARGET GROSS MARGIN

82%

Optimized COGS through established manufacturing scalability.

CLINICAL INSIGHTS

Human Experience

Early Human-Use Testing & Validation

150

150 Participants

Robust initial sample size enrolled in human-use observation.

Human

Human Subjects

Real-world user feedback and tolerance data collected.

Non-DB

Non-Double-Blinded

Open-label study format designed for rapid qualitative assessment.

USA

Conducted in the USA

Human-use trial executed domestically in the United States.

Protocol

Study Characteristics

Monitored safety, skin compliance, and patch adhesion.

Early

Initial Experience

Provides foundational human evidence prior to commercial rollout.

DISTRIBUTION STRATEGY

Recurring Revenue & Ambassador Model

Turn Distribution Into Predictable Recurring Income

SUBSCRIPTION
$39.99
Monthly supply (30 patches)

EST. COGS
~$2.00
Per monthly pouch

Recurring Revenue Potential & Economics at 20,000 Subscribers

Recurring Revenue Scenarios

Active Subscribers	Monthly Revenue	Annualized Revenue
500	$19,995	$239,940
1,000	$39,990	$479,880
2,500	$99,975	$1.20M
5,000	$199,950	$2.40M
10,000	$399,900	$4.80M
20,000	**$799,800**	**$9.60M**

Illustrative scenarios based on $39.99/month subscription rate. Not forecasts or guarantees.

Economics at 20,000 Active Subscriptions

Scale Milestone

Monthly Revenue
$799,800

Product Cost (~$2/unit)
~$40,000

Affiliate Commissions ($10/sub)
$200,000

Monthly Contribution
~$559,800

ANNUAL CONTRIBUTION MARGIN
~$6.72M / year

Operating Costs Before: Shipping & Fulfillment · Customer Service · Compliance

CURRENT STATUS & GROWTH ROADMAP

Current Position & Capital Requirement

Transitioning From 5 Years of R&D to Full Commercial Launch

Where We Are Today

Pre-Launch Stage

PRODUCT
Formulation, packaging & manufacturing 100% established ✓

VALIDATION
150-person US human study & 5 yrs R&D complete ✓

SUPPLY
Capacity positioned for ~20,000 units ✓

CHANNELS
US dropshipper set; 50-person AU sales channel ✓

Business Model Ready: $39.99/mo recurring subscription with $10 affiliate incentive framework active.

Funding Pathway & Capital Deployment

Next Growth Phase

01 • Corporate & Legal
Delaware Inc, IP docs, accounting & investment structure

02 • Regulatory & Compliance
US product classification, claims review & AU market assessment

03 • Commercial Infrastructure
E-commerce CRM, affiliate engine & support channels

04 • Marketing & Validation
Customer acquisition campaigns & ongoing clinical studies

Primary Objective: Scale from bootstrapped R&D into full commercialization.

CAPITAL RAISING
